Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Unsure

**Please explain the reasons for your response**

Of course it should be an offence but an assault against anyone should not be tolerated so why does the retail sector deserve special attention? Do doctors , nurses, NHS staff, bus drivers not also deserve protection ?

We have too many offences and the police can't enforce the ones we have

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

Neither

**Please explain the reasons for your response**

We need to use existing laws

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

Neither

**Please explain the reasons for your response**

Surely they can bring charges in these situations

Yes

**Please explain the reasons for your response.**

Surely this is why we have trade unions

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

**Please explain the reasons for your responses.**

Lawyers don't work for nothing, means more court time, more legal aid, more stress for individuals waiting for a court date etc

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure
