Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

No

No, often talking shops are established and a way of paying lip service to a problem and this is just a way for politicians to avoid actually doing anything while claiming they have done something. Actions speak louder than words.

Please explain the reasons for your responses.

I'm not sure of the cost implication but employees are entitled to feel safe and protected in a work environment.

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

No

Please explain the reasons for your responses.
