### Page 7: Your views on the proposal - Aim and approach

Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

Either

**Please explain the reasons for your response**

Both a statutory offence and statutory aggravation would help to increase the awareness of the issue, thus hopefully preventing abuse and violence. A statutory aggravation could have the benefit of increasing the severity of the punishment for existing crimes, while a new statutory offence could capture new offences, for example obstruction. This may help to prevent issues escalating.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

Either

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

No

## Page 11: Financial impact

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost neutral	Some reduction in cost	Significant reduction in cost	Unsure
<b>(a) Government and the public sector</b>		X				
<b>(b) Businesses</b>				X		
<b>(c) Individuals</b>			X			

**Please explain the reasons for your responses.**

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

No

## Page 13: Equalities

Q7. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Slightly positive

**Please explain the reasons for your response.**

There is some evidence to suggest that the victims of the behaviour that this bill is trying to prevent would be more likely to be female, as more women than men work in the retail sector.

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

*No Response*

## Page 15: Sustainability

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

**Please explain the reasons for your response.**

Reducing staff absence and turnover due to abuse and violence could have positive impact on both businesses' sustainability, and positive wellbeing of their staff.

## Page 16: General

Q10. Do you have any other comments or suggestions on the proposal, for example, other trigger points for violence and abuse, and other workers who should be covered?

*No Response*
