Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

as a member of the public and newly retired after 43 years in the nhs i have witnessed unwarranted verbal abuse and inappropriate behaviour in various settings such as pubs,cafes,and hotels. my daughter has worked on and off in some of these settings so i have also heard some stories. one thing though that should also be regarded as an offense should also be the behaviour of other people that are in a position of authority and working in the various settings i.e. supervisors, line managers and the like should also be held to account as i have seen even more violence bullying and harassment within the workplace who are never held to account.
