Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

Everyone should be able to go to work without fear of any attacks - knowing they will be supported by law if any assault happens

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

Please explain the reasons for your response

It should be on record that by law you cannot assault anyone doing their job

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory offence (for all these types of behaviour)

Please explain the reasons for your response

This is long overdue

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Yes

Please explain the reasons for your response.

A massive public awareness campaign is DEFINITELY required

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Some increase in cost

Q5.2. (b) Businesses - Broadly cost neutral

Q5.3. (c) Individuals - Broadly cost neutral

Please explain the reasons for your responses.

The costs would be in the awareness campaign & prosecutions

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Yes

Please explain the reasons for your responses.

The awareness campaign must be more than a one off. This would help reduce the court costs in reduced prosecutions - the most costly aspect of this legislation.

Q7. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Neutral (neither positive nor negative)

Please explain the reasons for your responses.

It will affect all

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

I don't see any

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

Please explain the reasons for your responses.

This Bill is overdue so must be supported 100%
