I would like this response to be anonymous (the response may be published, but no name)

Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

People should feel safe in their jobs and in retail especially customers can get angry and treat workers unfairly.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

Unsure

Please explain the reasons for your response

I'm not sure what these are.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Please explain the reasons for your response

I sort of feel the second offence (obstructing a worker upholding an age restriction) is more serious.

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Unsure

Please explain the reasons for your response.

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Some increase in cost

Q5.2. (b) Businesses - Some reduction in cost

Q5.3. (c) Individuals - Broadly cost neutral

Please explain the reasons for your responses.

There would probably be more charges pressed as workers would know the offence that has been committed, so some small increase in cost to government.

People would probably over time become aware of the new laws and be less likely to act abusively towards workers, which will probably result in less disruption to businesses, saving them money.

I don't think it will really affect individuals.

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure

Please explain the reasons for your responses.

Q7. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Slightly positive

Please explain the reasons for your responses.

These workers are more at risk of abuse, and so the new offences will enable them to press charges easier.

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

-

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

Please explain the reasons for your responses.

It's not a major change.

Q10. Do you have any other comments or suggestions on the proposal, for example, other trigger points for violence and abuse, and other workers who should be covered?

-

Working in premises selling alcohol for consumption off the premises (e.g. shop)	No

Working in premises selling other age-restricted products (e.g. tobacco, knives etc.)	No
Working in other retail premises	No
None of the above	Yes

I have been the victim of physical violence	No
I have been the victim of verbal abuse	No
