Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

This law should have been implemented years ago.

Either

Please explain the reasons for your response

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory offence (for all these types of behaviour)

Please explain the reasons for your response

-

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

No

Please explain the reasons for your response.

-

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Broadly cost neutral

Q5.2. (b) Businesses - Some reduction in cost

Q5.3. (c) Individuals - Some reduction in cost

Please explain the reasons for your responses.

Will give businesses greater control to deal with abusive customers and less sick days at work for staff who may feel scared to go into work.

A decrease in assaults and abuse of shop workers will certainly give people more confidence to enforce the law and perhaps reduce cases of underage sales going through which would result in less fines for both the employer and the employee.

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure

Please explain the reasons for your responses.

-

Q7. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Positive

Please explain the reasons for your responses.

To my knowledge shop workers will not be protected by the equality act by customers who are abusive, threatening or assault staff because abusive behaviour doesn't have to be discriminatory.

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

-

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

Please explain the reasons for your responses.

-

Q10. Do you have any other comments or suggestions on the proposal, for example, other trigger points for violence and abuse, and other workers who should be covered?

Anyone in a work capacity should be covered by the law. if the individual is in a position to enforce a law they should have extra protection from the law.

Working in premises selling alcohol for consumption off the premises (e.g. shop)	Yes
