Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

As a retired retail worker I feel this is long overdue and necessary.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

Please explain the reasons for your response

It is time these attackers whether verbal or physical should be held responsible and that retail workers should be protected.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory offence (for all these types of behaviour)

Please explain the reasons for your response

The workers are doing their job as the law requires them and therefore they should have the protection of the law.

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Unsure

Please explain the reasons for your response.

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Broadly cost neutral

Q5.2. (b) Businesses - Broadly cost neutral

Q5.3. (c) Individuals - Broadly cost neutral

Please explain the reasons for your responses.

A lot of money is spent on training staff to uphold these laws and a lot on absence from work and counselling etc. after these traumas. So if there is measures in place to protect workers this would result in costs neutral

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure

Please explain the reasons for your responses.

Q7. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Unsure

Please explain the reasons for your responses.

-

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

-

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?

Yes

Please explain the reasons for your responses.

If it works for other groups of workers then it should for retail workers.

Q10. Do you have any other comments or suggestions on the proposal, for example, other trigger points for violence and abuse, and other workers who should be covered?
