Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

Our Shopkeepers and Shop workers have to be protected to enable a safe working environment. No one should be subjected to abuse for doing their job and ensuring that any government legislation is enforced.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

Please explain the reasons for your response

A clear message has to be sent out that this type of behaviour will no longer be tolerated and is totally unacceptable.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Please explain the reasons for your response

The statutory offence has to cover a wide range to ensure that all forms of abusive behaviour is captured within the legislation and those offending are dealt with accordingly.

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

No

Please explain the reasons for your response.

One step at a time, with the aim to get this proposal off the ground and hopefully this will be sufficient piece of legislation.

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Broadly cost neutral

Q5.2. (b) Businesses - Broadly cost neutral

Please explain the reasons for your responses.
