Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

I myself have had experienced abusive behaviour in the work place with very little action being taken. Things need to change so people can work without any fear of being verbally or physically abused in their place of work.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

Please explain the reasons for your response

More tougher action needs to be taken so the perpetrators know it won't be tolerated.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Please explain the reasons for your response

As previously stated

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?
