Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Partially supportive

**Please explain the reasons for your response**

I wonder if compulsory training of workers and employers in how to handle aggression would help; I suspect, but don't know if this has been a factor in the case of emergency service workers.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

Unsure

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Yes

**Please explain the reasons for your response.**

See response above. I also think that a continuing campaign to educate customers about the law and about appropriate behaviour could help.

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

**Q5.1. (a) Government and the public sector** - Some increase in cost

**Q5.2. (b) Businesses** - Broadly cost neutral

**Q5.3. (c) Individuals** - Unsure

**Please explain the reasons for your responses.**

Slightly positive

**Please explain the reasons for your responses.**

All of these groups are likely to benefit from increased respectful, or at least restrained behaviour.

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

-

Q9. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impacts?
