Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

Please explain the reasons for your response

Having spent many years working in a retail shop which is still owned by our family, I can categorically state that some members of the public, often 'lose it' when in a shop environment.

I cannot say that I have ever, seen actual physical assault, but on occasions it has been pretty close.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

Please explain the reasons for your response

I do not think the law is strong enough and I believe members of the public feel that they can get away with abusing retail staff.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Not sure at all!

Yes

Please explain the reasons for your responses.

Q10. Do you have any other comments or suggestions on the proposal, for example, other trigger points for violence and abuse, and other workers who should be covered?

I think that in some areas, a panic button would be desirable, in order to summon assistance A.S.A.P.
