Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Fully supportive

I fully support the idea that a retail worker deserves complete protection from an abusive customer who is refused a sale for a good reason.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory offence

As offences against workers are on the rise maybe a new approach is needed.
