### Page 7: Your views on the proposal - Aim and approach

Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Partially supportive

**Please explain the reasons for your response**

It would certainly help in my experience of working in the sector but it would need to be made clear how it differed from other offenses

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

A new statutory aggravation

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Yes

**Please explain the reasons for your response.**

Requirements of licenced premises to have more / increase training of security staff. In my experience, I would rather have people in place to stop an offence occurring than more punishment after it occurred.
