Q1. Which of the following expresses your view of creating a new offence of assault against a worker in the retail sector?

Neutral (neither support nor oppose)

Please explain the reasons for your response

I am not convinced of the need for the creation of a new offence. Assault is already an offence in law, if someone commits that offence in a retail establishment it can surely be prosecuted under existing law. The question of enforcement is a different matter. There needs to be a willingness on the part of the authorities to prosecute such offences and there needs to be an effective way of providing evidence.

Q2. Which of the following would you support as a way to respond to assaults on workers upholding statutory age-restrictions?

Unsure

Please explain the reasons for your response

I am not sure what a "statutory aggravation" is but I refer you to my answer to the first question.

Q3. Which of the following would you support as a way to respond to abuse, harassment, threatening or obstruction of workers upholding statutory age-restrictions?

A new statutory aggravation for threatening or abusive behaviour or harassment; and a new statutory offence of obstructing a worker upholding an age-restriction.

Please explain the reasons for your response

This might be a way forward if the law on age restriction were actually strengthened by this measure.

Q4. Do you think that there are other steps which could be taken (either instead of, or in addition to, legislation) to achieve the aims of the proposal?

Yes

Please explain the reasons for your response.

Enforce the existing laws.

Q5. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Q5.1. (a) Government and the public sector - Some increase in cost

Q5.2. (b) Businesses - Broadly cost neutral

Q5.3. (c) Individuals - Broadly cost neutral

Please explain the reasons for your responses.

-

Q6. Are there ways in which the Bill could achieve its aim more cost-effectively (e.g. by reducing costs or increasing savings)?

Unsure

Please explain the reasons for your responses.

What overall impact is the proposed Bill likely to have on equality, taking account of the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Neutral (neither positive nor negative)

Please explain the reasons for your responses.

-

Q8. In what ways could any negative impact of the proposed Bill on equality be minimised or avoided?

Unsure

Please explain the reasons for your responses.
